

 Swiss  
Providential  
Trust

Swiss Heritage, **Established 1931**, Swiss  
Providential is one of the oldest Swiss  
Hybrid Holding Institution.

## **BASE INFORMATION**

Swiss Providential Trust AG is an umbrella holding Swiss Trust Company registered under the business laws of Switzerland.

The Trust Company is structured to own and manage downstream business ventures of the promoters under a single umbrella.

The Trust consolidates the yields from the underlying business ventures owned by the Trustees. Swiss Providential is a consolidated holding structure that holds the umbrella management and administration of the underlying businesses. All activities of business, investments and other products/services are conducted through our underlying subsidiaries and business ventures of the Managing Trustees , Principal Owners; and not directly at Swiss Providential Trust AG.
